MATCH BACE-NASHVILLE COURSE. The great match race over the Nashville course, between Compromise and Cordelia Reid, was won easily in two straight heats by the former.

The day was very fine, the track, though heavy, in pretty running order. At an early hour the course was crowded with spectators who seemed anxious to witness the sport. No race has been run upon this turf for many years that created so great an excitement; yet the betting was very limited, owing to the fact that Cordelia Reid was said not to be in good order-evidently, when brought up, she exhibited considerable lameness. While to the contrary Compromise seemed in excellent condition, and was so pronounced to be by those who should know. The odds offered on the latter, as far as we could see, was about four to one, with but few takers. We were sorry to see Cordelia so illy able to contend with her gallant competitor; but such is the fate of war. Another time we hope she may at least be at herself, that, if she has no better success, she may redeem her fallen fortunes.

It is useless to describe the race. Let it suffice, Compromise took the lead in each heat and kept it to the close with perfect ease. But we must not omit to mention the fact that Thos. Core, the excellent rider of Cordelia, did all that a skillful rider could do to assist her in her efforts throughout the

He had paid his Doctor's Bill, without any calculation of making another, thuking it was of no use; and no one expressed any hope of his recovery except a stranger, who appened to pass that way, and advised him to a different course of treatment, which has this recommendation, that in five weeks time it has made him feel like engaging in usiness. But why does he come out of this spell of sickness a strong advocate of Dr. Arnold's Union Pills? Because, they are the principal remedy used in the treatment of his case; and to their efficacy he is principally indebted for his recovery. Should not such cases be publish ed?
